

April 12, 1973

CLERK: 26 ayes, 1 nay, Mr. President.

SPEAKER: The bill as amended is advanced. LB 531. Clerk will read.

CLERK: Mr. President, LB 531 was introduced by Senator Burbach at the request of the Governor. It does have some amendments by Senator Carpenter.

SPEAKER: Senator Carpenter, do you want to take up LB 531? That was introduced by Senator Burbach at the request of the Governor but do you have something to do with that?

SENATOR CARPENTER: Well, what it does, is that in the estate taxes?

CLERK: It is for the taxation of income of beneficiaries of estates or trusts--

SENATOR CARPENTER: Is it a committee amendment? Just a bill? Well the bill has spelled out the definitions of the trust and the partnerships and it's only an explanation of procedure in the application of collecting the tax. As I understand it, that's all it does and I move for its acceptance.

CLERK: That's the bill, then you have the amendments that you're, Senator Carpenter on taxing insurance companies.

SENATOR CARPENTER: On the what?

CLERK: Taxing insurance companies, raising the rate from .6 of 1% --

SENATOR CARPENTER: If that's--that'll be controversial, I move you pass it over.

SPEAKER: Bill is passed over. LB 544. Clerk will read.

CLERK: Legislative Bill 544. (read). There are no committee amendments or other amendments.

SPEAKER: Senator Marvel. Senator Marvel.

SENATOR MARVEL: In order to speak on this, I'll move the 544 be advanced to E&R initial. The Department of Education has among its diverse activities, Vocational Rehabilitation Division. The voc rehab operation has a cafe. The cafe takes in receipts. There is no cash fund set up for these receipts. The only purpose of this bill is to create this fund so that in the operation of Vocational Rehabilitation, there can be money collected into this fund and spent out of the fund. That's all it does.

SPEAKER: Any further discussion? Are you ready for the question? Question is, shall the bill be advanced? That's LB 544. All those in favor vote aye. All those opposed vote no. Clerk will record.

CLERK: 27 ayes, no nays, 22 not voting.

SPEAKER: The bill is advanced. At this time, I hope he's still here, the Chair would like to recognize in the North Balcony Juvenile Judge Joe Moylan, Senator Moylan's son and Judge Moylan is here with his 6 children, like Senator Moylan, he's quite a producer. The Chair would also like to recognize in the North Balcony 35 Eighth Grade Students from Pius X School who are here with their teacher. That is in Senator Savage's district. LB 75. Clerk will read.

CLERK: Legislative Bill 75. Introduced by Senator Anderson. (read). There are committee amendments, Mr. President from the Government Committee. Signed Senator Chambers.

SPEAKER: Senator Chambers.
